OUR JOURNEY

Built on Trust. Driven by Compliance

WV Samarth Corporate Services Pvt. Ltd. was founded with a clear objective — to simplify DGFT and Customs compliance for Indian businesses. What began as focused support for IEC registrations and trade documentation has evolved into a trusted EXIM advisory firm serving manufacturers, exporters, and traders across diverse industries.

With a strong foundation in procedural accuracy and regulatory clarity, we expanded our expertise to include Advance Authorization, EPCG, RoDTEP, Duty Drawback, IGST refunds, Factory Stuffing certification, SCOMET licensing, and comprehensive DGFT advisory services.

Today, we go beyond documentation — we act as strategic compliance partners, helping businesses optimize benefits, reduce duty exposure, and operate with confidence in a dynamic trade environment.

Our Impact at a Glance

- * 1,500+ CASES EXECUTED
- * 500+ IEC REGISTRATIONS
- * 1,000+ DGFT & CUSTOMS MATTERS
- * ₹50+ CRORES BENEFITS FACILITATED
- * 200+ ACTIVE CLIENTS
- * 98% FIRST TIME APPROVAL SUCCESS RATE

With a forward-looking vision and commitment to excellence, we continue to strengthen our position as a dependable one-stop EXIM compliance partner.

DRIVING EXPORT EXCELLENCE: OUR SUCCESS STORIES

Case Study 1: Faster Export Clearances through Customs Optimization

A client faced repeated shipment delays due to documentation errors and compliance gaps under Indian Customs governed by Central Board of Indirect Taxes and Customs.

We streamlined their documentation process, corrected classification issues, and coordinated closely with customs authorities to ensure smooth clearance.

Result: Faster shipments, reduced delays, and improved compliance efficiency.

Case Study 2: Unlocking DGFT Incentives for Better Cash Flow

An exporter was unaware of eligible benefits under the Directorate General of Foreign Trade schemes, leading to missed financial opportunities.

We identified applicable incentives, guided them through the claim process, and ensured proper documentation and filing.

Result: Successful incentive claims and improved cash flow.

Case Study 3: Seamless Factory Stuffing & Compliance Management

A client required assistance with factory stuffing to ensure secure loading and compliance with customs procedures under Central Board of Indirect Taxes and Customs.

We coordinated the entire process—from documentation and container sealing to supervision and certification—ensuring adherence to all regulatory requirements.

Result: Smooth stuffing operations, reduced risk of inspection delays, and faster cargo movement
